

**Varo Business Alliance
Mixer Sponsorship Opportunities**

About

VBA stands for Varo Business Alliance. It is a global networking organization that provide events, community and learning opportunities for business professionals to network, learn and grow their business.

Why sponsor VBA?

VBA sponsorships are an exciting way to connect with the community & increase exposure to your business. On average, each year more than 5,000 people see logos and messages from sponsors across all of our events.

On our website, an additional 3,000+ are exposed to sponsor logos each day as they browse our site for events.

Sponsor a VBA Mixer

HOW IT WORKS

1. Sponsoring a Mixer covers TopGolf events and future membership connection opportunities through VBA Mixers. At our mixer, you'll have plenty of opportunities depending on your sponsorship level.
2. Reference this “Mixer Sponsorship Levels” package and select a level to sponsor.
3. Visit vbaconnect.com/sponsor
4. Fill out the form. Note: for category select “mixer” add any additional info in the provided section such as Mixer Date(s).
5. In 24-48 hours you will receive information from a member of our team with details regarding your Sponsorship.

Thank you for helping us make a difference.

Sponsorship Levels

	Bronze \$100	Silver \$250	Gold \$500	Platinum \$1000

Thank you for considering VBA and
the communities we serve!

Thank You!

www.vbaconnect.com - Varo Business Alliance

Thank you in advance for your consideration to sponsor VBA's Mixers. Our attendees will see how we are moving to bring communities together through mixers and opportunities to feel the spirit of our mission that is inherent in all our endeavors.

Your support is extremely important and greatly appreciated by all of us in the VBA community. With your donation we will proudly acknowledge your company in our catalog. For additional information please contact Britni, Director of Community Relations & Marketing, at bpeebles@vbaconnect.com or 314. 917. 2005. Thank you for sharing our values and hopes for the future.
